Milledgeville Housing Authority
(MHA) is a public housing authority chartered under the laws of the State of Georgia in 1957. MHA is governmental in nature, but is not a part of the general city or county government. MHA owns and manages a citywide portfolio of approximately 320 units.

MHA provides more than a place to live. Simultaneously, we work to enhance the quality of life at MHA by offering our residents opportunities to participate in a multitude of community, educational and recreational programs, as well as job readiness and training initiatives.

HOW DO I APPLY?
If you are interested in applying for public housing, please visit our office at 545 W. Martin Luther King Drive or call 478-445-2875. You can also print an application from our website at www.mhahomes.org. Applications are taken Monday – Thursday from 9:30 a.m. until 3:30 p.m.

HOW IS RENT CALCULATED?
This program provides a home at a rental not to exceed 30% of a family's monthly adjusted gross income. Permitted adjustments include annual deductions of $480 per minor or dependent, $400 for an elderly head of household or spouse, and in the case of an elderly, disable or handicapped household, all predictable medical expense exceeding 3% of total annual income. A utility allowance is also factored into the rent calculation.

Each family seeking housing must complete an application and meet the selection criteria established by the Housing Authority. The family must be financially responsible and must be eligible by income.
